"The Church owes a deep debt of gratitude to Dr. DuBose for bringing out into clear light the New Testament meaning of the word [salvation]. They will find thoughts which stimulate and passages which burn. . . . They will find a fearless grappling with the things that are, treated as only a woman, high-minded and sincere, can treat these things."—*Saturday Review*.

By William Winter.

Shadows of the Stage.

18mo, cloth gilt, 75 cents.

"Into a very pretty little volume, Mr. Winter has gathered a score or more of his minor theatrical articles, written from day to day as occasion served and as the passing show gave opportunity, and yet written always with abundant literary art and with the constant desire to pay due heed of praise to those features of the contemporary stage which were best worth commemoration."
